Languages

İngilizce ● ● ● ● ●

In my College life;

- I have gained experiences with Asp.Net Mvc and MsSql.
- I worked on Analysis and Documentation.
- We published our Artificial Intelligence project in IEEE Xplore. (The Art of Machine Learning as Fashion Stylish for Designing Clothes)

Except my College life;

- I attended to Incudemy Training Program of Monovi Company.

At the end of the Incudemy ; we simulated the Stock Warehouse project, created a scenario and a database.

We have prepared technical documentation.

- I have done some practices on Android Mobile Programming
- I participated in the SAP Consultant Training Program (120 Hours, Çözümevi Consulting)
- Completed the SAP Basis Administration course (40 Hours, Udemy)
- I am interested in the SAP Basis. I think I can improve myself and I can be successful in this field.

Work experience

Operation Staff 2018 - 2021
Crew Organization, İstanbul

- We worked together in many works such as IBB organizations, Contemporary art galleries, concerts, Tuyap fairs etc.
- I worked part-time.

Organization Staff Sep 2018 - Mar 2020
Pera Team Organization and Human Resources, İstanbul

- I helped the organizations of the flights and vehicles of tourist groups.
- I worked mainly in English welcoming and guiding.
- I worked part-time.

Intern Aug 2021 - Sep 2021
Avcılar Municipality, İstanbul

- I have completed my 20-day compulsory internship in the IT Department of Avcılar Municipality.
- During this process, I gained experience on the hardware side.
