## Languages

İngilizce ● ● ● ● ●

- Many times I worked full-time in summers and part-time in winters. In these activities;
- I learned business management and organization, improved myself in human relations, and of course improved my English as well.
  - Now I want to focus on my own profession and improve myself.
  - I am ready to work hard and spend my time on this.
- 
- I have theoretical knowledge throughout my school education, but I am looking for an opportunity to apply my knowledge and learn new things.
  - I have knowledge of Asp.Net Mvc and MsSql.
  - I worked mainly on analysis and documentation.
  - Me and my friends have an article in IEEE Xplore. (The Art of Machine Learning as Fashion Stylish for Designing Clothes )
  - I want to improve myself in the field of SAP and to be successful in this field.
